**FROM:** Joe Eichsteadt, City Engineer

**SUBJECT:** UPDATE

**Street Closing – West Jackson Street, between 2<sup>nd</sup> Avenue N and 3<sup>rd</sup> Avenue N**

West Jackson Street, between 2<sup>nd</sup> Avenue N and 3<sup>rd</sup> Avenue N, will be closed to through traffic due to the gas main installation project by We Energies beginning today at 8:00 p.m. Thursday, August 16, 2018 and is expected to re-open at 6:00 a.m. Friday, August 17, 2018.

Traffic on West Jackson Street will be detoured south onto 2<sup>nd</sup> Avenue N, west onto West Grand Avenue, north onto 3<sup>rd</sup> Avenue N, then back onto West Jackson Street.

Once this street closing re-opens, then the lane closure in both east bound lanes of West Jackson Street, between 3<sup>rd</sup> Avenue N and Jackson Street bridge will resume. East bound traffic will then be shifted back to one of the west bound lanes of West Jackson Street.

Additional lane closures are expected as work progresses and updates will be forth coming. Please use caution and expect possible delays.
